Correct this sentence

Their was once tree little boys who lived in a shoe. They had to pears of socks without any shoes. They loved two play in the son, they had much fun until one day a dear came and all tree had to run.

Who will be the next Observers Junior's Writer?

Black History month has just passed, write a story on your favorite hero and why do you look to them as your hero.

The Observer would like to help one child at the end of the month for six months during the pandemic.

Ages 5 -12 years old should complete all task each week, and the child who get the highest grade on stories and puzzles even colouring and win would be able to receive \$100.00 at the end of the month but the winner has to enter each week and has to be able to win for the entire month to win the \$100.00 dollars.
